

Wranglers and Wine Show and Shine

Sunday, July 26th 2-6 pm

Benefit for George Miller

In 2014, George became a patient of the Dana Farber Institute where he is in a clinical trial for treatment of CLL with chromosome 17p deletion. His daughter Kelly is raising money to ride in the Pan-Mass Challenge in honor of her father. Each year the Pan-Mass Challenge raises money for The Dana Farber Institute. Please come out and show your support for this great cause!
