ROCK STAR

Birthday Celebration

Celebrate Veteran's Day by honoring a true veteran's birthday! Taylor Miller was a 19-year old graduate of Saratoga High School who lost his life in 2010 defending his country in Afghanistan. He would have turned 21 on 11/11/11.

Taylor's Heroes will be promoting fitness and nutrition to children. Different forms of exercise and nutritional education will be taught from certified professionals throughout the year.

In addition to fantastic music from City Rhythm, there will be a rock star makeup station, photographers to capture you at your rockin' best, caricatures, great food, a Guitar Hero station to see if you are a true Guitar Hero, and silent auctions! **Come as a fan or dress like a rock star!**

Purchase Your Pre-sale Tickets until the day before!
Just send your check made payable to Taylor's Heroes to

Taylor's Heroes, 14 Bradford Dr, Saratoga Springs, NY 12831

We will accept cash and check at the door.
