Dear Friends:

On behalf of the Board of Fire Commissioners, I would like to welcome you to the 65th anniversary of the Greenfield Fire District. Tonight we celebrate 65 years of our history and serving our community.

This year we completed nearly a full remodel of the Porter Corners firehouse, we are currently replacing the roof at the Middle Grove firehouse, we are putting bidding proposals to build a new district office building and we are also anticipating the delivery of ETA-262 and ER-292 in early spring.

To put these accomplishments in contrast, our fire district was formed in 1947 with a bond issue of \$35,000. This money was used to purchase four firehouses and to equip our fire companies. Today, the roof replacement project alone at the Middle Grove firehouse exceeds that amount. Our two new trucks total over \$1,000,000 and the Board of Fire Commissioners furnishes nearly \$3,000 worth of personal gear to each firefighter.

While there are many examples of how our organization has changed since its birth in 1947, it certainly would not have been possible without all of our members support and hard work. Tonight we are reminded how fortunate we are to have our facilities, our equipment and most importantly our officers and firefighters.

Our community is forever indebted to our volunteers for their unyielding dedication, selflessness and servitude. We salute and thank all of you for your service, and we hope that you enjoy your 65th anniversary banquet.

Sincerely,

FIREFIGHTERS PRAYER

*When I am called to duty, God
Wherever flames may rage
Give me strength to save a life
Whatever be its age.
Let me embrace a little child
Before it is too late
Or save an older person from
The horror of that fate.
Enable me to be alert
And hear the weakest shout,
and quickly and efficiently
To put the fire out.
I want to fill my calling
To give the best in me,
To guard my friend and neighbor
And protect their property.
And, if, according to your will,
While on duty I must answer death's call;
Bless with your protecting hand
My family, one and all.*

Fallen Firefighter Table

- The helmet represents all who have served.
 - The table is round, to show that our concern for this is never-ending.
 - The white table cloth symbolizes the purity of their intentions to respond.
 - The white rose is for those who witnessed and experienced tragedy and destruction firsthand, and are still with us today.
 - The red rose is for those who made the ultimate sacrifice-they gave their life so that others could live.
 - A slice of lemon is to remind us of life's sometimes bitter fate.
 - The salt symbolizes the tears shed by friends and family of our missing firefighters.
- The glass is inverted – our missing brothers and sisters cannot toast with us.
 - The candle symbolizes the spirit of the firefighter – past, present, and future.
 - The chair is empty – they are not here, but let us not forget them.

Memorial Bell Ceremony

Bells have played an integral role throughout fire service history. In the past, as fire fighters began their tour of duty, it was the bell that signaled the beginning of that day's shift. Throughout the day and night, each alarm was sounded by a bell, which alerted firefighters of an emergency. At the conclusion of the alarm, it was the bell that would signify that the call is complete and the units would be returning to quarters.

And it is this returning to quarter's signal that is now the means of sending a fallen firefighter home to their final resting place. They are returning to quarters for the last time. Their tour has been completed.

To symbolize the devotion that these brave souls had for their duty, a special signal of three rings, three times each, represents the end of our comrades' duties and that they will be returning to quarters, their tasks completed, their duties well done, answering their last alarm.
